

# JUDGING SCHEDULE

Houston Obedience Training Dog Club Agility Trial

January 13, 14, 15, 2012

Crosby Fairgrounds, 14920 FM 2100, Crosby TX 77535

**Check-in and Measuring:** Beginning at 9:00 AM on Friday and continuing through the afternoon; beginning at 6:30 AM on Saturday and 7:00 am on Sunday and continuing through the day. Check-in will be "self-serve". Pick up the envelope with your name on it from the registration table.

Please remember to check in with the gate steward before your class begins.

We will have two rings running simultaneously. Every effort will be made to accommodate handler with ring conflicts if they are brought to the attention of the gate steward **before** the start of the class. If there is a ring conflict, in most instances, the Standard class should be run first. If you are in a class with multiple walk-throughs and have a conflict that can be resolved by walking with an earlier jump height and then moving to the beginning or the end of your regular jump height, please do so. The judge cannot certify placements and qualifiers in a jump height until all dogs in that jump height have run.

The start times for the walk-through and briefing for the first class in each ring are indicated. **All other items are approximate; the classes may start earlier.** As soon as one class is finished, course building, briefing and walk-through for the next class will follow. It is the handler's responsibility to be present when his/her class begins.

**Move-ups:** Move-ups for dogs entered on Friday **must** be received in writing no later than 6:00 PM on Monday, January 9, 2012. Requests may be emailed to [newpointgsp@peoplepc.com](mailto:newpointgsp@peoplepc.com). Day-to-day move-ups during the trial will be accepted until 30 minutes after the last dog has run that day.

**Security:** Crates may be left overnight at your own risk. There will be no security at the show site after hours. All dogs must be removed from the show site at night.

**Concessions:** Complimentary coffee, tea, hot chocolate, and morning and afternoon snacks will be provided all days. Several fast food restaurants are located near the show site.
