CLASSES:

- All classes run six-weeks and meet for approximately 50 minutes each week except for monthly Agility classes.
- All classes, with the exception of Tracking Class, are held at our training facility located at 2400 Campbell Road, Unit H. in Spring Branch. The building faces Enmora and is between Campbell and Blalock. A map is provided on our website.
- We teach you how to train your dog. We do not train your dog for you.
- We teach using positive training methods and reward the dog with treats for good behavior. Bring soft treats such as small pieces of cheese, boiled hot dogs, cooked chicken or other meat, or any commercial packaged treat. We also sell fresh, frozen dog food and non-grain treats.
- After class 1, the instructor reviews the prior lesson during the first part of the class. The new material follows.
- Our program is set up so that each week's assignment builds on the prior classes. For this reason, it is essential that the person who is training the dog attend all six classes.

DOGS:

- You are responsible for assuring that your dog does not engage in disruptive barking and noise making.
