BASIC CLASS - GENERAL INFORMATION

Houston Obedience Training Dog Club, Inc. is a nonprofit organization incorporated in 1965 in the State of Texas for the purpose of making dogs better companions of man.

We do not train your dog for you. In fact, only on very rare occasions will one of our instructors handle your dog. Our course is designed to teach you how to train your dog. We do this by having our instructors meet one night a week with their classes to teach the exercises. You will bring your dog to class so we may note your progress and demonstrate further lessons. Our classes are designed so that they build on each other.

For this reason, it is essential that the person training the dog attend all six classes. The dog learns the exercises by consistent repetition of the class instruction. Each handler has a different method of giving the dog the command. More than one person during the learning period may confuse the dog. The remainder of the week following each lesson, the handler will work the dog at home on previous lessons.

Certain equipment is required to accomplish the exercises: a premier or slip collar, a leather leash, 15-foot long line, and handouts. The cost of the equipment is included in the registration fee.

We feel that the first lesson is so important that anyone not coming to orientation will not be allowed to continue the course with us. Orientation is mandatory and must be attended by the person who will be training the dog.

We look forward to working with you and your dog!

IMPORTANT INFORMATION ABOUT HOT DOG CLUB CLASSES

You may pay for classes online using a credit card, electronic check or electronic funds transfer. If you use the online payment service, you must complete the registration form and profile and send them with a copy of your rabies certificate to us either by mail or fax. Your payment, registration form, profile and proof of vaccinations, must be received prior to the scheduled start date of the class in order for your registration to be accepted.

Except for Tracking, all classes are held at our indoor facility at **2400 Campbell, Unit H. The building faces Emnora and sits between Campbell and Blalock.**

Handlers must be at least 14 years of age and the same person should be available to handle the dog during all the class sessions.

HOT's classes are open to both pure- and mixed-bred dogs.

With the exception of Puppy Class, dogs must be at least six months of age and must be current on all age appropriate vaccinations. Proof of vaccination for rabies, ie: a copy of the certificate provided to you by your veterinarian, **must be attached to your application.** Tags do not constitute proof. You will not be allowed to participate in the class if proof of this vaccination is not received prior to the first class.

Please bring, to each class, water for your dog and soft treats such as hotdogs, cheese, liver or jerky, sliced thin or torn into small pieces. It's best to bring a variety of treats to help keep your dog's interest and attention throughout the entire class hour.

If your dog is ill, do not bring it to class. You should still attend so you can observe the lessons being taught, then practice at home with your dog before the next class. If you must miss a week, contact your instructor and they will try to schedule an abbreviated make-up lesson with you prior to the next class.
